

YOGANANTA

UNIVERSITY STUDENT

ABOUT ME

Im I Gusti Ngurah Agung Yogananta Pramana, I am a Student of Information Systems at Ganesha University of Education (Undiksha) with a deep interest in the world of UI/UX. As a UI/UX enthusiast, I have a passion for designing designs that are not only aesthetic but also functional and user-friendly. Additionally, I really enjoy the challenge of solving problems, especially those related to system development and improving user experience.
